Start Date: 23.10.2023		WEEK 3	WEEK 4	WEEK 5	WEEK 6	WEEK 7	WEEK 8	WEEK 9	WEEK 10	WEEK 11	WEEK 12	WEEK 13	WEEK 14
Literature Review	week 3												
Abstract	Utku												
Introduction	Cansu												
ESP modules for drones	Onur												
Drone Software Stacks	Cansu												
An Overview of the Software Components	Utku												
Programming Languages	Onur												
Commercial Products	Utku												
Conclusion	Onur												
References	Team												
Work Plan	week 4												
Work Plan	Cansu												
Documentation	week(3-10)												
SRS - Introduction	Cansu												
SRS - General Description	Onur												
SRS - Requirements	Utku												
SRS - Analysis UML	Cansu												
Project Webpage	Utku												
SDD - Introduction	Onur												
SDD - System Overview	Onur												
SDD - System Design	Utku Cansu												
SDD - UI Design	Cansu												
Project Report	Team												
Demo & Presentation	week(8-10)												
Demo - Frontend	Utku												
Demo - Backend	Onur Cansu												
Presentation Preparation	Team
